

UNIVERSITY OF MINNESOTA

GoldPASS Student User Agreement

In consideration of the efforts Career Services Offices (CSOs) make to assist me in establishing contacts with employers, I agree to adhere to the following guidelines.

I Agree:

- To uphold the University's values and tradition of ethical behavior: honesty, trustworthiness, respect and fairness in dealing with other people, and a sense of responsibility toward others.
 - To have my resume available to employers who have been granted access to GoldPASS, and wish to conduct online searches for resumes (I can opt out of this at any time once my account is set up within GoldPASS).
 - To keep my GoldPASS account information current, including keeping my contact information with the University up-to-date, and updating my resume as I gain relevant experience.
 - To answer ALL correspondence from prospective employers.
 - To discontinue interviewing upon the acceptance of an offer.
 - To honor all employment agreements with employers / organizations.
-

On-Campus Interviewing Policy

I Agree:

- To keep ALL scheduled interviews as specified in the On-Campus Interviewing Policy stated below.

A scheduled interview may be rescheduled or cancelled without a penalty up to 2 business days in advance. To reschedule or cancel an interview 1 to 2 business days in advance, I must call the career center that is hosting the interview. Cancelling an interview less than 1 business day in advance or failing to appear for a scheduled interview (a no-show) is a violation of the on-campus interview policy. As a consequence, my GoldPASS account will be immediately deactivated. To regain access to GoldPASS, I must write a letter of apology to the interviewer(s) within three business days of the scheduled interview, per specific instructions from the career office that hosted the interviews. Failure to submit an apology letter within three business days will result in the cancellation of any other previously scheduled interviews.

It is my understanding that if I do not keep this agreement, I may lose the privilege of using GoldPASS for my employment search

By using GoldPASS, I am volunteering to release information to prospective employers who have been granted access to GoldPASS, and to CSOs, and includes:

Name
Address information
Phone number
e-mail

Work authorization**Resume (and any information I include on my resume)**

I understand that if I have suppressed any information about me in the University directory, that suppression does not apply in GoldPASS.

Some of the above information will be stored in the GoldPASS database, whereas other information is maintained in other University databases.

If at any time I do not want to release my resume or receive emails from employers through GoldPASS, I have the option of making my information not public within GoldPASS (for example, if I am studying abroad or interning for a term).

I am not legally required to supply any of the requested information. However, failure to provide any of the information requested may prevent me from being considered for employment by prospective employers through GoldPASS.

The University of Minnesota has no control over and takes no responsibility for (a) the truthfulness, accuracy, quality, safety, morality, desirability or legality of employer information, position listings, (b) the ability of employers to offer job opportunities, or (c) the hiring, recruiting or other practices of any Employer.
